

# Kingdom Prayer for Provision

“I command every individual, institution, organization and entity that has been placed in stewardship of the blessings, resources, finances, favor, money, property, people, and abilities, which God has already provided, to be release to me now, so that they may come into my possession and meet the needs for which they were originally given. I also commission angels of proper rank and authority to do warfare on my behalf  
to see that it is so -  
In Jesus’ Name - Amen!”
